Mission Capital Advisors has hired Jillian Mariutti as director in its debt and equity group, where she'll help arrange a variety of capital for the firm's property-owning clients.

Mariutti most recently was the head of real estate in North America for JCRA Financial, a derivatives advisory firm. In that role, she provided foreign exchange and interest-rate risk management services to the company's real estate-owning clients.

Before that, she was with Wells Fargo Securities, where she marketed and structured interest-rate management services to REITs and other property owners.
