FOR IMMEDIATE RELEASE

**Mission Global Continues Rapid Growth with Hiring of
Aaron Scott Taylor as Compliance Officer**

Well-Regarded Compliance Professional Brings Valuable Experience to New Position

DENVER, Colo. (April 6, 2016) — Mission Global, a mortgage services due diligence business and affiliate of Mission Capital Advisors, today announced that Aaron Scott Taylor has joined the firm as compliance officer. Taylor will report to A. Dennis Zehnle, chief operating officer of Mission Global, and will be responsible for advising the company's management and staff on new and changing regulatory risks.

In his new role, Taylor will provide insight on all consumer state and federal laws and regulations governing real estate lending.

"Mission Global is a single-source solution for institutional lenders and regulatory compliance is one of the vital services we provide to the industry," said Dennis Zehnle, executive vice president of Mission Global. "Aaron is an excellent fit for this role, and we're confident that he will deliver immediate value to our client base."

In addition to closely tracking consumer laws and regulations, Taylor will work closely with the firm's various business units to implement new proprietary systems and software in response to required changes of law related to due diligence processes. He will also serve as Mission Global's industry liaison, working with outside counsel and other industry groups such as the Mortgage Bankers Association and SFIG.

Prior to joining Mission Global, Taylor held similar positions at Clayton Holdings and Promontory Financial Group, where he consistently tracked new rules and policies applying to the mortgage industry, such as the Dodd Frank Act and other prominent regulatory matters.

"This is an exciting opportunity that will allow me to utilize my previous compliance experience to aid the impressive group of clients that are serviced by Mission Global's seasoned group of industry professionals," said Taylor. "I look forward to settling into this new role, and I'm eager to make an immediate impact on Mission Global's operations."

Taylor earned his Juris Doctorate from The John Marshall Law School in Chicago, IL and a Bachelor of Arts in Sociology from The University of North Carolina at Wilmington. Taylor also holds a specialty in Elder Law, a Mediation certification, and has studied at universities in Argentina, Australia, Denmark, England, Germany and Scotland.
